AUDIT REPORT ON CONSOLIDATED FINANCIAL STATEMENTS ISSUED BY AN INDEPENDENT AUDITOR

Translation of a report and financial statements originally issued in Spanish. In the event of discrepancy, the Spanish-language version prevails (See Note 6)

To the shareholders of OBRASCÓN HUARTE LAIN, S.A.:

Report on the consolidated financial statements

Opinion

We have audited the consolidated financial statements of OBRASCÓN HUARTE LAIN, S.A (the Parent) and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at December 31st, 2025, the consolidated statement of profit or loss, consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated cash flow statement, and the notes thereto, for the year then ended.

In our opinion, the accompanying consolidated financial statements give a true and fair view, in all material respects, of consolidated equity and the consolidated financial position of the Group at December 31st, 2025 and of its financial performance and its consolidated cash flows, for the year then ended in accordance with International Financial Reporting Standards, as adopted by the European Union (IFRS-EU), and other provisions in the regulatory framework applicable in Spain.

Basis for opinion

We conducted our audit in accordance with prevailing audit regulations in Spain. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report.

We are independent of the Group in accordance with the ethical requirements, including those related to independence, that are relevant to our audit of the consolidated financial statements in Spain as required by prevailing audit regulations. In this regard, we have not provided non-audit services nor have any situations or circumstances arisen that might have compromised our mandatory independence in a manner prohibited by the aforementioned requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our audit opinion thereon, and we do not provide a separate opinion on these matters.

Recognition of revenue from construction contracts

Description As described in Note 2.6.11 to the accompanying consolidated financial statements, revenue is recognised using the percentage of completion method. Under this method, revenue is recognised based on costs incurred relative to total costs to be incurred. This requires measuring the proportion that costs incurred bear to total budgeted costs at the measurement date, and recognising revenue and margins in proportion to the total expected revenue and margins.

The recognition of revenue from these contracts requires Group management to make significant estimates regarding, inter alia, the total costs required to perform the contract or the estimate of the margin considered in forecast revenue and estimated costs to be incurred, as well as the amount of any potential modifications, claims and disputes over the original contract that will finally be accepted by the customer.

Due to the significance of the amounts involved, since this affects a considerable amount of total "Revenue" and the measurement of amounts to be billed for construction work performed, recognised in "Trade and other receivables" amounting to EUR 502,981 thousand at December 31st, 2025, as well as the complexity inherent in these estimates, which require Group management to make judgements in determining the assumptions considered, such that changes in these assumptions could give rise to material differences in the revenue recorded, we determined this to be a key audit matter.

Information on the measurement bases used for these assets and the related disclosures on revenue are provided in Notes 2.6.11, 3.9 and 3.23 to the accompanying consolidated financial statements.

Our response

Regarding this matter, our procedures included, among others, the following:

- ▶ Understanding the process used by Group management and directors for revenue recognition and evaluating the design and implementation of the relevant controls established in that process.
- ▶ Selecting a sample of projects of the Group's main components with this type of contract, considering both quantitative and qualitative criteria, for which we obtained the related contracts to read and understand the most relevant clauses and their implications.
- ▶ Evaluating, for those contracts, the reasonableness of the assumptions used by Group management that affect revenue recognition by holding meetings with technical staff and managers in charge of carrying out projects, and analysing the reasons for any deviations between planned and actual costs and their impact on the estimate of the projects' margins.
- ▶ Analysing trends in margins relative to changes in selling prices and total budgeted costs.

- ▶ Evaluating the reasonableness of the estimate of amounts to be billed for construction work performed recognised as revenue at year-end, by verifying the situation of negotiations with customers of the main contracts and reviewing the reasonableness of the documentation supporting the probability of their recovery.
- ▶ Reviewing the disclosures made in the notes to the financial statements in conformity with the applicable financial reporting framework.

Other information: consolidated management report

Other information refers exclusively to the 2025 consolidated management report, the preparation of which is the responsibility of the Parent company's directors and is not an integral part of the consolidated financial statements.

Our audit opinion on the consolidated financial statements does not cover the consolidated management report. Our responsibility for the consolidated management report, in conformity with prevailing audit regulations in Spain, entails:

- a. Checking only that the consolidated non-financial statement and certain information included in the Corporate Governance Report and in the Board Remuneration Report, to which the Audit Law refers, were provided as stipulated by applicable regulations and, if not, disclose this fact.
- b. Assessing and reporting on the consistency of the remaining information included in the consolidated management report with the consolidated financial statements, based on the knowledge of the Group obtained during the audit, in addition to evaluating and reporting on whether the content and presentation of this part of the consolidated management report are in conformity with applicable regulations. If, based on the work we have performed, we conclude that there are material misstatements, we are required to disclose this fact.

Based on the work performed, as described above, we have verified that the information referred to in paragraph a) above is provided as stipulated by applicable regulations and that the remaining information contained in the consolidated management report is consistent with that provided in the 2025 consolidated financial statements and its content and presentation are in conformity with applicable regulations.

Responsibilities of the Parent company's directors and the audit and compliance committee for the consolidated financial statements

The directors of the Parent company are responsible for the preparation of the accompanying consolidated financial statements so that they give a true and fair view of the equity, financial position and results of the Group, in accordance with IFRS-EU, and other provisions in the regulatory framework applicable to the Group in Spain, and for such internal control as they determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors of the Parent company are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless said directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Parent's Audit and Compliance Committee is responsible for overseeing the Group's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with prevailing audit regulations in Spain will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with prevailing audit regulations in Spain, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ▶ Plan and perform the Group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the consolidated financial statements. We are responsible for the direction, supervision and review of the audit work performed for the purposes of the Group audit. We remain solely responsible for our audit opinion.

We communicate with the audit and compliance committee of the Parent company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the audit and compliance committee of the Parent company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the audit and compliance committee, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter.

Report on other legal and regulatory requirements

European single electronic format

We have examined the digital files of the European single electronic format (ESEF) of Obrascón Huarte Lain, S.A. and subsidiaries for the 2025 financial year, which include the XHTML file containing the consolidated financial statements for the year, and the XBRL files as labeled by the entity, which will form part of the annual financial report.

The directors of Obrascón Huarte Lain, S.A. are responsible for submitting the annual financial report for the 2025 financial year, in accordance with the formatting and mark-up requirements set out in Delegated Regulation EU 2019/815 of 17 December 2018 of the European Commission (hereinafter referred to as the ESEF Regulation).

Our responsibility consists of examining the digital files prepared by the directors of the Parent company, in accordance with prevailing audit regulations in Spain. These standards require that we plan and perform our audit procedures to obtain reasonable assurance about whether the contents of the consolidated financial statements included in the aforementioned digital files correspond in their entirety to those of the consolidated financial statements that we have audited, and whether the consolidated financial statements and the aforementioned files have been formatted and marked up, in all material respects, in accordance with the ESEF Regulation.

In our opinion, the digital files examined correspond in their entirety to the audited consolidated financial statements, which are presented and have been marked up, in all material respects, in accordance with the ESEF Regulation.

Additional report to the audit and compliance committee

The opinion expressed in this audit report is consistent with the additional report we issued to the audit and compliance committee on March 24th, 2026.

AUDIT REPORT ON FINANCIAL STATEMENTS ISSUED BY AN INDEPENDENT AUDITOR

Translation of a report and financial statements originally issued in Spanish. In the event of discrepancy, the Spanish-language version prevails (See Note 22)

To the shareholders of OBRASCÓN HUARTE LAIN, S.A.:

Report on the financial statements

Opinion

We have audited the financial statements of OBRASCÓN HUARTE LAIN, S.A. (the Company), which comprise the statement of financial position December 31st, 2025, the statement of profit or loss, the statement of changes in equity, the statement of cash flows, and the notes thereto for the year then ended.

In our opinion, the accompanying financial statements give a true and fair view, in all material respects, of the equity and financial position of the Company as at December 31st, 2025 and of its financial performance and its cash flows for the year then ended in accordance with the applicable regulatory framework for financial information in Spain (identified in Note 2.1 to the accompanying financial statements) and, specifically, the accounting principles and criteria contained therein.

Basis for opinion

We conducted our audit in accordance with prevailing audit regulations in Spain. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We are independent of the Company in accordance with the ethical requirements, including those related to independence, that are relevant to our audit of the financial statements in Spain as required by prevailing audit regulations. In this regard, we have not provided non-audit services nor have any situations or circumstances arisen that might have compromised our mandatory independence in a manner prohibited by the aforementioned requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our audit opinion thereon, and we do not provide a separate opinion on these matters.

Recognition of revenue from construction contracts

Description As described in Note 4.11 to the accompanying financial statements, revenue is recognised using the percentage of completion method. Under this method, revenue is recognised based on costs incurred relative to total costs to be incurred. This requires measuring the proportion that costs incurred bear to total budgeted costs at the measurement date, and recognising revenue and margins in proportion to the total expected revenue and margins.

The recognition of revenue from these contracts requires Company management to make significant estimates regarding, inter alia, the total costs required to perform the contract or the estimate of the margin considered in forecast revenue and estimated costs to be incurred, as well as the amount of any potential modifications and claims over the original contract that will finally be accepted by the customer.

Due to the significance of the amounts involved, since this affects a considerable amount of total "Revenue" and the measurement of amounts to be billed for construction work performed, recognised in "Trade and other receivables" amounting to EUR 193,096 thousand at December 31st, 2025, as well as the complexity inherent in these estimates, which require Company management to make judgements in determining the assumptions considered, such that changes in these assumptions could give rise to material differences in the revenue recorded, we determined this to be a key audit matter.

Information on the measurement bases used for these assets and the related disclosures on revenue are provided in Notes 4.11, 9.3 and 17.1 to the accompanying financial statements.

**Our
response**

Regarding this matter, our procedures included, among others, the following:

- ▶ Understanding the process used by Company management and directors for revenue recognition and evaluating the design, implementation and operating effectiveness of the relevant controls established in that process.
- ▶ Selecting a sample of projects considering both quantitative and qualitative criteria, for which we obtained the related contracts to read and understand the most relevant clauses and their implications.
- ▶ Evaluating, for those contracts, the reasonableness of the assumptions used by Company management that affect revenue recognition by holding meetings with technical staff and managers in charge of carrying out projects, and analysing the reasons for any deviations between planned and actual costs and their impact on the estimate of the projects' margins.
- ▶ Analysing trends in margins relative to changes in selling prices and total budgeted costs.
- ▶ Evaluating the reasonableness of the estimate of amounts to be billed for construction work performed recognised as revenue at year-end, by verifying the situation of negotiations with customers of the main contracts and reviewing the reasonableness of the documentation supporting the probability of their recovery.
- ▶ Reviewing the disclosures made in the notes to the financial statements in conformity with the applicable financial reporting framework.

Other information: management report

Other information refers exclusively to the 2025 management report, the preparation of which is the responsibility of the Company's directors and is not an integral part of the financial statements.

Our audit opinion on the financial statements does not cover the management report. Our responsibility for the management report, in conformity with prevailing audit regulations in Spain, entails:

- a. Checking only that the non-financial statement and certain information included in the Corporate Governance Report and in the Board Remuneration Report, to which the Audit Law refers, were provided as stipulated by applicable regulations and, if not, disclose this fact.
- b. Assessing and reporting on the consistency of the remaining information included in the management report with the financial statements, based on the knowledge of the entity obtained during the audit, in addition to evaluating and reporting on whether the content and presentation of this part of the management report are in conformity with applicable regulations. If, based on the work we have performed, we conclude that there are material misstatements, we are required to disclose this fact.

Based on the work performed, as described above, we have verified that the information referred to in paragraph a) above is provided as stipulated by applicable regulations and that the remaining information contained in the management report is consistent with that provided in the 2025 financial statements and its content and presentation are in conformity with applicable regulations.

Responsibilities of the directors and the audit and compliance committee for the financial statements

The directors are responsible for the preparation of the accompanying financial statements so that they give a true and fair view of the equity, financial position and results of the Company, in accordance with the regulatory framework for financial information applicable to the Company in Spain, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The audit and compliance committee is responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with prevailing audit regulations in Spain will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with prevailing audit regulations in Spain, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that

is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the audit and compliance committee of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the audit and compliance committee of the Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the audit and compliance committee of the Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter.
